

Getting Ready for Streaming

Making the switch to streaming can be easy. Follow these easy steps:

- **Step 1: Check Your TV**

You'll need a Smart TV or a device like Roku, Fire Stick, DirecTV Gemini or Apple TV box. Make sure you have the remotes for your TV(s).

- **Step 2: Choose Your TV Streaming Service**

Pick a LIVE streaming service like YouTube TV, Hulu + Live TV, or DIRECTV Stream.

Not sure? Visit: mybundle.tv/norwood/tv and enter your favorite channels.

- **Step 3: Sign Up for a TV Streaming Service**

Go to the provider's website or call them to create your account. Most will require credit cards for billing.

- **Step 4: Save Your Login Information**

Write down your email/username and password. You'll need this to sign in.

- **Step 5: Schedule Your Free Internet Upgrade**

We will come to your home at no cost to upgrade your internet and help get everything ready for TV Streaming.

- **Step 6: Start Watching**

Turn on your TV and enjoy your favorite shows and channels!
